

**Outreach Feedback from Green Lake Community Center
October 19, 2011**

1# What the Parks Department should we prioritize?

- Need new facility ADA compliance, access/egress for current building
- More functional building needs to be welcoming
- Strengthen programming we are already receiving please don't cut programs
- Strengthen preschool program music programs basketball, ping pong play center
- Have pool and Cc hours overlap to create support for building activities
- More early childhood programs
- More senior programs
- Something for teens , dedicated space for teens
- Restore teen Librarian
- Hours to fit the needs of the community center
- Pathway of lights special event
- People being active keep them moving
- Healthy education role eating active whole person with focus on Teens
- Connect with path users to pool and cc
- Promote flagship facility in highest used park
- Rebuild and replace Center to view the lake
- Senior programs
- Teen Activities
- Build and support partnership opportunities
- Create a focal point for GLCC define as unique
- Tot room
- Table tennis

2 What should we keep doing?

- Table Tennis program
- Kids playroom
- Pottery room
- Piano classes
- Rentals, Pool and CC
- Keep the pool and pool programs
- Public showers
- Start tri-athlete program

3 What should we stop doing?

- Redirect athletic programs organization back to CC use CC as base for scheduling of sports programs

**Outreach Feedback from Green Lake Community Center
October 19, 2011**

- Return to site league s rather than City Wide
- Relocate Event scheduling away from Greenlake
- Stop hosting at GL
- Stop closing the kids room on the weekends, keep it open for working families
- Please focus on the hours that community can be at the Center
- Solve the parking problem stop having open parking have CC and pool designated parking areas
- Question is Preschool programs the best use for space, evaluated benefits
- Stop the limited use in the pottery room and the childcare to allow for increased use of space
- Stop counting scholarship dollars when evaluating or comparing sites (1,2a,2b); those without scholarship ability were unfairly rated
- Stop using cc for City wide office space (Event Scheduling office)
- Rental Revenue go to Advisory Council not City
- Running programs that don't make \$ or enrollment
- Stop revolving door for staff

#4 What can you do?

- Continue to pursue ADA compliance
- Continue to support Advisory Council by staying involved
- As friends and co-workers to volunteer
- Try a class or program at center
- Build partnerships with business community
- Outreach to all stakeholders, potential partners, business community
- Find space utilize public school space for CC programs
- Staff a path side booth operated by volunteers
- Build a sponsorship efforts such as Pathway of lights, build community supports
- Use professional staff as team leader for community and volunteer
- Advertise CC events and activities (expand)
- Bill Breakfast and books program as an example for volunteers
- Survey community to find out how to bring in community
- Extend invites to service organizations to work to support CC
- Build relationships with private schools
- Advertizing person to person, brochures in schools and local markets
- Table tennis as a connection to schools
- Consider business use with Parks offer seminars and rent rooms
